

Smoke Alarms Save Lives

Protect your Family from Home Fires!

The American Red Cross Home Fire Campaign aims to help reduce the number of home fire-related injuries and fatalities. The Red Cross is partnering with municipalities, fire departments and community groups to help families be better prepared for and take important steps to prevent home fires.

Free Smoke Alarm Installations

The Red Cross and our community partners will be installing free smoke alarms in your neighborhood to help keep you and your family safe.

Every 8 Minutes, the Red Cross Responds to a Home Fire

People can take easy steps to increase their chances of surviving a fire.

1. Make an escape plan

2. Make sure you have working smoke alarms in your home.

3. Practice fire drill, then check your escape time.

We want to help you, your family and our community stay safe.

Remember to test your smoke alarms monthly and practice your fire escape plan.
