INDEPENDENT AUDITOR'S REPORT

Honorable Mayor and
Members of the Borough Council
Borough of Edgewater
County of Bergen, New Jersey

Report on the Financial Statements

We have audited the accompanying balance sheets - regulatory basis of the various funds and account group of the Borough of Edgewater in the County of Bergen, as of December 31, 2013 and 2012, the related statement of operations and changes in fund balance - regulatory basis for the years then ended, and the related statement of revenues - regulatory basis and statement of expenditures - regulatory basis of the various funds for the year ended December 31, 2013, and the related notes to the financial statements, which collectively comprise the Borough's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the basis of accounting prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the audit requirements prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey (the "Division"), and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

The Honorable Mayor and
Members of the Borough Council
Page 2.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1 of the financial statements, the financial statements are prepared by the Borough of Edgewater on the basis of the financial reporting provisions prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of New Jersey.

The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of each fund of the Borough of Edgewater as of December 31, 2013 and 2012, or changes in financial position for the years then ended.

Basis for Qualified Opinion on Regulatory Basis of Accounting

As described in Note 15 of the financial statements, the Borough participates in a Length of Service Award Program (LOSAP) for its volunteer fire and rescue personnel. The amount reflected in the trust fund statements of \$952,104 and \$856,005 for 2013 and 2012, respectively, were not audited and, therefore, we express no opinion on the LOSAP program.

Qualified Opinion on Regulatory Basis of Accounting

In our opinion, except for the effects of the matter described in the "*Basis for Qualified Opinion on Regulatory Basis of Accounting*" paragraph, the financial statements referred to above, with the exception of the Length of Service Award Program, present fairly, in all material respects, the regulatory basis balances sheets and account group as of December 31, 2013 and 2012, the regulatory basis statements of operations for the years then ended and the regulatory basis statements of revenues and expenditures for the year ended December 31, 2013 in accordance with the basis of financial reporting prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey as described in Note 1.

Other Matters

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Borough of Edgewater's basic financial statements. The supplementary information listed in the table of contents and schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations* and the schedule of expenditures of state financial assistance as required by NJ OMB 04-04 and the letter of comments and recommendations section are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The supplemental information listed in the table of contents and the schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, the schedule of federal financial awards and the schedule of expenditures of state financial assistance as required by NJ OMB 04-04 are the responsibility of management and were derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplemental information listed in the table of contents, schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and the schedule of expenditures of state financial assistance as required by NJ OMB 04-04 are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The letter of comments and recommendations section has not been subject to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 20, 2014 on our consideration of the Borough of Edgewater's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Borough of Edgewater's internal control over financial reporting and compliance.

BOROUGH OF EDGEWATER

Notes to Financial Statements Years Ended December 31, 2013 and 2012

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The GASB Codification establishes seven fund types and two account groups to be used by governmental units when reporting financial position and results of operations in accordance with accounting principles generally accepted in the United States of America (GAAP).

The financial statements of the Borough of Edgewater have been prepared in conformity with accounting principles and practices prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey (the "Division") which is another comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Such principles and practices are designed primarily for determining compliance with legal provisions and budgetary restrictions and as a means of reporting on the stewardship of public officials with respect to public funds. Under this method of accounting, the Borough accounts for its financial transactions through the following separate funds which differ from the fund structure required by GAAP.

A. Reporting Entity

The Borough of Edgewater (the "Borough") operates under a Mayor/Council form of government. The Borough's major operations include public safety, road repair and maintenance, sanitation, fire protection, recreation and parks, health services, and general administrative services.

GASB has issued Statement No. 14 which requires the financial reporting entity to include both the primary government and those component units for which the primary government is financially accountable. Financial accountability is defined as appointment of a voting majority of the component unit's board, and either a) the ability to impose will by the primary government, or b) the possibility that the component unit will provide a financial benefit to or impose a financial burden on the primary government.

However, the municipalities in the State of New Jersey do not prepare financial statements in accordance with GAAP and thus do not comply with all of the GASB pronouncements. The financial statements contained herein include only those boards, bodies, officers or commissions as required by NJS 40A:5-5. Accordingly, the financial statements of the Borough do not include the Volunteer Fire Department, First Aid Organization or Public Library, which is considered a component unit under GAAP. Complete financial statements of the above components can be obtained by contacting the Treasurer of the respective entity.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, (continued)

B. Measurement Focus, Basis of Accounting and Basis of Presentation

The Borough uses funds, as required by the Division, to report on its financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial administration by segregating transactions related to certain Borough functions or activities. An account group, on the other hand, is designed to provide accountability for certain assets and liabilities that are not recorded in those Funds.

The Borough has the following funds and account group:

Current Fund - This fund accounts for resources and expenditures for governmental operations of a general nature, including Federal and State grants.

Trust Funds - Trust Funds are used to account for assets held by the government in a trustee capacity. Funds held by the Borough as an agent for individual, private organizations, or other governments are recorded in the Trust Funds.

Other Trust Fund - This fund is established to account for the assets and resources which are also held by the Borough as a trustee or agent for individuals, private organizations, other governments and/or other funds.

Animal License Fund - This fund is used to account for fees collected from animal licenses and expenditures, which are regulated by NJS 4:19-15.11.

General Capital Fund - This fund is used to account for the receipt and disbursement of funds used for acquisition or improvement of general capital facilities, other than those acquired in the Current Fund.

Marina Utility Fund - This fund is used to account for the operations of the municipally owned utility.

Public Assistance Fund - This fund is used to account for the receipt and disbursement of funds that provide assistance to certain residents of the Borough pursuant to Title 44 of New Jersey Statutes.

Sewer Facilities Grant Fund - This fund is used to account for all Federal and State sewer grant revenues and expenditures.

General Fixed Assets Account Group - To account for all fixed assets of the Borough. The Borough's infrastructure is not reported in the group.

B. Measurement Focus, Basis of Accounting and Basis of Presentation, (continued)

Basis of Accounting

A modified accrual basis of accounting is followed by the Borough of Edgewater. Under this method of accounting, revenues, except State/Federal Aid, are recognized when received and expenditures are recorded when incurred. The accounting principles and practices prescribed for municipalities by the Division differ in certain respects from accounting principles generally accepted in the United States of America (GAAP) applicable to local government units. The more significant differences are as follows:

Property Tax Revenues - Real property taxes are assessed locally, based upon the assessed value of the property. The tax bill includes a levy for Municipal, County, and School purposes. The bills are mailed annually in June for that calendar year's levy. Taxes are payable in four quarterly installments on February 1, May 1, August 1, and November 1. The amounts of the first and second installments are determined as one quarter of the total tax levied against the property for the preceding year. The installment due the third and fourth quarters is determined by taking the current year levy less the amount previously charged for the first and second installments, with the remainder being divided equally. If unpaid on these dates, the amount due becomes delinquent and subject to interest at 8% per annum, or 18% on any delinquency amount in excess of \$1,500. The school levy is turned over to the Board of Education as expenditures are incurred, and the balance, if any, must be transferred as of June 30, of each fiscal year. County taxes are paid quarterly on February 15, May 15, August 15 and November 15, to the County by the Borough. When unpaid taxes or any municipal lien, or part thereof, on real property, remains in arrears on April first in the year following the calendar year levy when the same became in arrears, the collector in the municipality shall subject to the provisions of the New Jersey Statutes enforce the lien by placing the property on a tax sale. Annual in rem tax foreclosure proceedings are instituted to enforce the tax collection or acquisition of title to the property by the Borough. In accordance with the accounting principles prescribed by the State of New Jersey, current and delinquent taxes are realized as revenue when collected. Since delinquent taxes and liens are fully reserved, no provision has been made to estimate that portion of the taxes receivable and tax title liens that are uncollectible. GAAP requires property tax revenues to be recognized in the accounting period when they become susceptible to accrual, reduced by an allowance for doubtful accounts.

Miscellaneous Revenues - Miscellaneous revenues are recognized on a cash basis. Receivables for the miscellaneous items that are susceptible to accrual are recorded with offsetting reserves on the balance sheet of the Borough's Current Fund. GAAP requires such revenues to be recognized in the accounting period when they become susceptible to accrual.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, (continued)

B. Measurement Focus, Basis of Accounting and Basis of Presentation, (continued)

Basis of Accounting, (continued)

Grant Revenues - Federal and State grants, entitlements or shared revenues received for purposes normally financed through the Current Fund are recognized when anticipated in the Borough's budget. GAAP requires such revenues to be recognized in the accounting period when they become susceptible to accrual.

Budgets and Budgetary Accounting - An annual budget is required to be adopted and integrated into the accounting system to provide budgetary control over revenues and expenditures for the Current Fund. Budget amounts presented in the accompanying financial statements represent amounts adopted by the Borough and approved by the State Division of Local Government Services per N.J.S.A. 40A:4 et seq.

The Borough is not required to adopt budgets for the following funds:

- General Capital Fund
- Trust Fund
- Public Assistance Fund
- Sewer Facilities Grant Fund

The governing body shall introduce and approve the annual budget not later than August 10, of the fiscal year. The budget shall be adopted not later than September 20, and prior to adoption must be certified by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. The Director of the Division of Local Government Services, with the approval of the Local Finance Board may extend the introduction and approval and adoption dates of the municipal budget. The budget is prepared by fund, function, activity and line item (salary or other expense) and includes information on the previous year. The legal level of control for appropriations is exercised at the individual line item level for all operating budgets adopted.

Emergency appropriations, those made after the adoption of the budget and determination of the tax rate, may be authorized by the governing body of the municipality. During the last two months of the fiscal year, the governing body may, by a 2/3 vote, amend the budget through line item transfers. Management has no authority to amend the budget without the approval of the Governing Body. Expenditures may not legally exceed budgeted appropriations at the line item level. During 2013, the Mayor and Council approved additional revenues and appropriations of \$24,388 in accordance with N.J.S.A. 40A:4-87 and approved an emergency authorization of \$290,000 for police - salaries and wages and a special emergency authorization of \$91,000 for the preparation of tax maps. In addition, several budget transfers were approved by the governing body.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, (continued)

B. Measurement Focus, Basis of Accounting and Basis of Presentation, (continued)

Basis of Accounting, (continued)

Expenditures - Are recorded on the "budgetary" basis of accounting. Generally, expenditures are recorded when an amount is encumbered for goods or services through the issuance of a purchase order in conjunction with an encumbrance accounting system. Outstanding encumbrances at December 31, are reported as a cash liability in the financial statements. Unexpended or uncommitted appropriations, at December 31, are reported as expenditures through the establishment of appropriation reserves unless canceled by the governing body. GAAP requires expenditures to be recognized in the accounting period in which the fund liability is incurred, if measurable, except for unmatured interest on general long-term debt, which should be recognized when due.

Encumbrances - Contractual orders outstanding at December 31 are reported as expenditures through the establishment of an encumbrance payable. Encumbrances do not constitute expenditures under GAAP.

Appropriation Reserves - Are available, until lapsed at the close of the succeeding year, to meet specific claims, commitments or contracts incurred during the preceding year. Lapsed appropriation reserves are recorded as additions to income. Appropriation reserves do not exist under GAAP.

Compensated Absences - Expenditures relating to obligations for unused vested accumulated vacation and sick pay are not recorded until paid. GAAP requires that the amount that would normally be liquidated with expendable available financial resources be recorded as an expenditure in the operating funds and the remaining obligations be recorded as a long-term obligation.

Property Acquired for Taxes - Is recorded in the Current Fund at the assessed valuation when such property was acquired and fully reserved. GAAP requires such property to be recorded in the General Fixed Assets Account Group at market value on the date of acquisition.

Interfunds - Interfund receivables in the Current Fund are recorded with offsetting reserves which are created by charges to operations. Income is recognized in the year the receivables are liquidated. Interfund receivables in the other funds are not offset by reserves. GAAP does not require the establishment of an offsetting reserve.

Inventories - The costs of inventories of supplies for all funds are recorded as expenditures at the time individual items are purchased. The costs of inventories are not included on the various balance sheets.

Cash and Investments - Cash includes amounts in demand deposits as well as short-term investments with a maturity date within one year of the date acquired by the government. Investments are stated at cost which approximates fair value and are limited by N.J.S.A. 40A:5-15.1(a).

Deferred Charges to Future Taxation Funded and Unfunded - Upon the authorization of capital projects, the Borough establishes deferred charges for the costs of the capital projects to be raised by future taxation. Funded deferred charges relate to permanent debt issued, whereas unfunded deferred charges relate to temporary or nonfunding of the authorized cost of capital projects. According to N.J.S.A. 40A:2-4, the Borough may levy taxes on all taxable property within the local unit to repay the debt. Annually, the Borough raises the debt requirements for that particular year in the current budget. As the funds are raised by taxation, the deferred charges are reduced.

General Fixed Assets - In accordance with Technical Accounting Directive No. 85-2, Accounting for Governmental Fixed Assets, the Borough of Edgewater has developed a fixed assets accounting and reporting system.

Fixed assets used in governmental operations (general fixed assets) are accounted for in the General Fixed Assets Account Group. Public domain ("infrastructure") general fixed assets consisting of certain improvements other than buildings, such as roads, bridges, curbs and gutters, streets and sidewalks and drainage systems are not capitalized.

All fixed assets are valued at historical cost or estimated historical cost if actual historical cost is not available.

No depreciation has been provided for in the financial statements.

Expenditures for construction in progress are recorded in the Capital Funds until such time as the construction is completed and put into operation.

B. Measurement Focus, Basis of Accounting and Basis of Presentation, (continued)

Basis of Accounting, (continued)

Fixed assets acquired through grants in aid or contributed capital have not been accounted for separately.

GAAP requires that fixed assets be capitalized at historical or estimated historical cost if actual historical cost is not available.

Use of Estimates

The preparation of financial statements requires management of the Borough to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from these estimates.

Comparative Data - Comparative data for the prior year has been presented in the accompanying balance sheets and statements of operations in order to provide an understanding of changes in the Borough's financial position and operations. However, comparative data have not been presented in all statements because their inclusion would make certain statements unduly complex and difficult to understand.

C. Basic Financial Statements

The GASB Codification also defines the financial statements of a governmental unit to be presented in the general purpose financial statements to be in accordance with GAAP. The Borough presents the financial statements listed in the table of contents which are required by the Division and which differ from the financial statements required by GAAP. In addition, the Division requires the financial statements listed in the table of contents to be referenced to the supplementary schedules. This practice differs from GAAP.

NOTE 2. PENSION PLANS

Description of Systems:

Substantially all of the Borough's employees participate in one of the following contributory defined benefit public employee retirement systems which have been established by State statute: the Police and Firemens' Retirement System (PFRS) or the Public Employees' Retirement System (PERS). These systems are sponsored and administered by the State of New Jersey. The Public Employees' Retirement System and the Police and Firemens' Retirement System (PFRS) are considered a cost sharing multiple-employer plans. According to the State of New Jersey Administrative Code, all obligations of the systems will be assumed by the State of New Jersey should the systems terminate.

Public Employees' Retirement System (PERS)

The Public Employees' Retirement System was established in January, 1955 under the provisions of N.J.S.A. 43:15A to provide coverage including post-retirement health care to certain qualified members. Membership is mandatory for substantially all full time employees of the State or any county, municipality, school district or public agency provided the employee is not required to be a member of another State-administered retirement system. Vesting occurs after 8-10 years of service and 25 years for health care coverage. Members are eligible for retirement at age 60 with an annual benefit generally determined to be 1/55th of the average annual compensation for the highest three fiscal years' compensation for each year of membership during years of creditable service. Early retirement is available to those under age 60 with 25 or more years of credited service. Members are always fully vested for their own contributions and, after three years of service credit, become vested for 2% of related interest earned on contributions. In case of death before retirement, members' beneficiaries are entitled to full interest credited to the members' accounts.

Chapter 103, P.L. 2007 amended the early retirement reduction formula for members hired on or after July 1, 2007 and retiring with 25 years of service to be reduced by 1% for every year between age 55 and 60, plus 3% for every year under age 55.

Chapter 89, P.L. 2008 increased the PERS eligibility age for unreduced benefits from age 60 to age 62 for members hired on or after November 1, 2008; increased the minimum annual compensation required for membership eligibility for new members. Also, it amended the early retirement reduction formula for members hired on or after November 1, 2008 and retiring with 25 years of service to be reduced by 1% for every year between age 55 and 62, plus 3% for every year under age 55.

Description of Systems, (continued)

Public Employees' Retirement System (PERS), (continued)

Chapter 1, P.L. 2010, effective May 21, 2010, changed the membership eligibility criteria for new members of PERS from the amount of compensation to the number of hours worked weekly. Also, it returned the benefit multiplier for new members of PERS to 1/60 from 1/55, and it provided that new members of PERS have the retirement allowance calculated using the average annual compensation for the last five years of service instead of the last three years of service. New members of PERS will no longer receive pension service credit from more than one employer. Pension service credit will be earned for the highest paid position only. This law also closed the Prosecutors Part of the PERS to new members and repealed the law for new members that provided a non-forfeitable right to receive a pension based on the laws of the retirement system in place at the time 5 years of pension service credit is attained. The law also requires the State to make its full pension contribution, defined as 1/7th of the required amount, beginning in fiscal year 2012.

Chapter 3, P.L. 2010, effective May 21, 2010, replaced the accidental and ordinary disability retirement for new members of PERS with disability insurance coverage similar to that provided by the State to individuals enrolled in the State's Defined Contribution Retirement Program.

Chapter 78, P.L. 2011, provides that new members of PERS hired on or after June 28, 2011 (Tier 5 members) will need 30 years of creditable service and age 65 for receipt of the early retirement benefit without a reduction of $\frac{1}{4}$ of 1% for each month that the member is under age 65. Tier 5 members will be eligible for a service retirement benefit at age 65.

Police and Firemens' Retirement System (PFRS)

The Police and Firemens' Retirement System was established in July 1944 under the provisions of N.J.S.A. 43:16A to provide retirement, death and disability benefits to its members. Membership is mandatory for all full time county and municipal police and firemen, and state firemen or officer employees with police powers appointed after June 30, 1944.

Enrolled members of the Police and Firemens' Retirement System may retire at age 55 with no minimum service requirement. The annual allowance is equal to 2% of the members' final compensation for each year of service up to 30 years, plus 1% of each year of creditable service over 30 years. Final compensation equals the compensation for the final year of service prior to retirement. Special retirement is permitted to members who have 25 or more years of creditable service in the system. Benefits fully vest on reaching 10 years of service. Members are always fully vested for their own contributions. In the case of death before retirement, members' beneficiaries are entitled to full payment of members' contributions.

Description of Systems, (continued)

Police and Firemens' Retirement System (PFRS), (continued)

Chapter 1, P.L. 2010, effective May 21, 2010, eliminated the provision in PFRS that would permit a member to retire, at any age after 25 years of service credit, on a special retirement allowance of 70% of final compensation after the retirement system reaches a funded level of 104%. Also, for new members of PFRS, the law capped the maximum compensation that can be used to calculate a pension from the plan at the annual wage contribution base for Social Security, and requires the pension to be calculated using a three year average annual compensation instead of the last year's salary.

The State of New Jersey, Department of the Treasury, Division of Pensions and Benefits, issues publicly available financial reports that include the financial statements and required supplementary information for PERS and PFRS. The financial reports may be obtained by writing to the State of New Jersey, Department of the Treasury, Divisions of Pensions and Benefits, P.O. Box 295, Trenton, NJ 08625-0295.

Contribution Requirements

The contribution policy is set by laws of the State of New Jersey and, in most retirement systems, contributions are required by active members and contributing employers. Plan member and employer contributions may be amended by State of New Jersey legislation. The pension funds provide for employee contributions based on 5.5% for PERS. This amount will increase to 6.5% plus an additional 1% phased in over 7 years beginning 2012 and 8.5% for PFRS, which increased to 10% in October 2011, of the employee's annual compensation, as defined by law. Employers are required to contribute at an actuarially determined rate in all Funds except the SACT. The actuarially determined employer contribution includes funding for cost-of-living adjustments and noncontributory death benefits in the PERS and PFRS. In the PERS and PFRS, the employer contribution includes funding for post-retirement medical premiums.

The Borough's contribution to the various plans, equal to the required contributions for each period were as follows:

| <u>Year</u> | <u>PERS</u> | <u>PFRS</u> |
|-------------------|-------------|-------------|
| December 31, 2013 | \$397,039 | \$880,053 |

Defined Contribution Retirement Program

The Defined Contribution Retirement Program (DCRP) was established on July 1, 2007 for certain public employees under the provisions of Chapter 92, P.L. 2007 and Chapter 103, P.L. 2007. The program provides eligible members, with a minimum base salary of \$1,500.00 or more, with a tax-sheltered, defined contribution retirement benefit, in addition to life insurance and disability coverage. The DCRP is jointly administered by the Division of Pensions and Benefits and Prudential Financial.

If the eligible elected or appointed official will earn less than \$5,000.00 annually, the official may choose to waive participation in the DCRP for that office or position. The waiver is irrevocable.

This retirement program is a new pension system where the value of the pension is based on the amount of the contribution made by the employee, employer and through investment earnings. It is similar to a Deferred Compensation Program where the employee has a portion of tax deferred salary placed into an account that the employee manages through investment option provided by the employer.

The law requires that three classes of employees enroll in the DCRP detailed as follows:

All elected officials taking office on or after July 1, 2007, except that a person who is reelected to an elected office held prior to that date without a break in service may retain in the PERS.

A Governor appointee with advice and consent of the Legislature or who serves at the pleasure of the Governor only during that Governor's term of office.

Other employees commencing service after July 1, 2007, pursuant to an appointment by an elected official or elected governing body which include the statutory untenured Chief Administrative Officer such as the Business Administrator, County Administrator, or Municipal or County Manager, Department Heads, Legal Counsel, Municipal or County Engineer, Municipal Prosecutor and the Municipal Court Judge.

Notwithstanding the foregoing requirements, other employees who hold a professional license or certificate or meet other exceptions are permitted to remain to join or remain in PERS.

Contributions made by employees for DCRP are currently at 5.5% of the base wages. Member contributions are matched by a 3.0% employer contribution.

The Borough currently has no employees enrolled in the DCRP.

NOTE 3. MUNICIPAL DEBT, (continued)

General capital serial bonds are direct obligations of the Borough for which its full faith and credit are pledged, and are payable from taxes levied on all taxable property located within the Borough.

At December 31, 2013 the Borough had authorized but not issued debt as follows:

| | |
|-----------------------------|-------------|
| General Capital Fund | \$5,493,420 |
| Marina Utility Capital Fund | -0- |

NOTE 4. BOND ANTICIPATION NOTES

The Borough issues bond anticipation notes to temporarily fund various capital projects prior to the issuance of serial bonds. The term of the notes cannot exceed one year but the notes may be renewed from time to time for a period not exceeding one year. Generally such notes must be paid no later than the tenth anniversary of the date of the original notes. The State of New Jersey also prescribes that on or before the third anniversary date of the original note a payment of an amount at least equal to the first legally payable installment of the bonds in anticipation of which such notes were issued be paid or retired. A second and third legal installment must be paid if the notes are to be renewed beyond the fourth and fifth anniversary date of the original issuance.

On December 31, 2013, the Borough had \$20,625,000 of Bond Anticipation Notes outstanding consisting of \$20,175,000 of General Capital Fund Notes due July 25, 2014 at an interest rate of 1.25% and \$450,000 of Marina Utility Capital Fund Notes due July 25, 2014 at an interest rate of 1.25%.

The following activity related to bond anticipation notes occurred during the calendar year ended December 31, 2013.

| Current Fund | \$1,800,000 |
| Marina Utility | -0- |

NOTE 7. ACCRUED SICK AND VACATION BENEFITS

The Borough has permitted employees to accrue unused sick pay, which may be taken as time off or paid at a later date at an agreed-upon rate. At December 31, 2013 the Borough estimated the current cost of such unpaid compensation to approximate \$1,279,330.

NOTE 8. CASH, CASH EQUIVALENTS AND INVESTMENTS

Cash

Custodial Credit Risk - Deposits

Custodian credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned to it. The Borough's policy is based on New Jersey Statutes requiring cash be deposited only in New Jersey based banking institutions that participate in New Jersey Governmental Depository Protection Act (GUDPA) or in qualified investments established in New Jersey Statutes 40A:5-15.1(a) that are treated as cash equivalents. As of December 31, 2013, \$-0- of the Borough's bank balance of \$16,089,723 was exposed to custodial credit risk.

NOTE 8. CASH, CASH EQUIVALENTS AND INVESTMENTS, (continued)

Investments

Investment Rate Risk

The Borough does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. However, New Jersey Statutes 40A:5-15.1(a) limits the length of time for most investments to 397 days.

Credit Risk

New Jersey Statutes 40A:5-15.1(a) limits municipal investments to those specified in the Statutes. The type of allowance investments are Bonds of the United States of America, bonds or other obligations of the towns or bonds or other obligations of the local unit or units within which the town is located: obligations of federal agencies not exceeding 397 days; government money market mutual funds; the State of New Jersey Cash Management Plan; local government investment pools; or repurchase of fully collateralized securities.

Concentration of Credit Risk

The Borough places no limit on the amount the Borough may invest in any one issuer.

Unaudited Investments

As more fully described in Note 15, the Borough has created a Length of Service Award Program (LOSAP) for emergency service volunteers. The LOSAP investments are similar to those allowed in a deferred compensation program as specified in NJSA 43:15B-1 et. seq. except that all investments are retained in the name of the Borough. All investments are valued at fair value. In accordance with NJAC 5:30-14.37, the investments are maintained by Lincoln Benefit Life, which is an authorized provider approved by the Division of Local Government Services. The balance in the account for the years ended December 31, 2013 and 2012 amounted to \$873,904 and \$773,205, respectively.

The following investments represent 5% or more of the total invested with Valic for the years ended December 31, 2013 and 2012:

NOTE 12. RISK MANAGEMENT

The Borough is exposed to various risks of loss related to general liability, automobile coverage, damage and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Borough has obtained insurance coverage to guard against these events which will provide minimum exposure to the Borough should they occur. During 2013, the Borough did not incur claims in excess of their coverage and the amount of coverage did not significantly decrease.

The Borough of Edgewater is a member of the South Bergen Municipal Joint Insurance Fund (SBMJIF) and Municipal Excess Liability Joint Insurance Fund (MEL). The joint insurance funds are both an insured and self-administered group of municipalities established for the purpose of insuring against property damage, general liability, motor vehicles and equipment liability and worker's compensation. The SBMJIF and MEL coverage amounts are on file with the Borough.

The relationship between the Borough and respective insurance funds is governed by a contract and by-laws that have been adopted by resolution of each unit's governing body. The Borough is contractually obligated to make all annual and supplementary contributions to insurance funds, to report claims on a timely basis, cooperate with the management of the Fund, its claims administrator and attorneys in claims investigation and settlement, and to follow risk management procedures as outlined by the insurance funds. Members have a contractual obligation to fund any deficit of the insurance funds attributable to a membership year during which they were a member.

NOTE 12. RISK MANAGEMENT, (continued)

The funds provide its members with risk management services, including the defense of and settlement of claims, and establish reasonable and necessary loss reduction and prevention procedures to be followed by the members.

There has been no significant reduction in insurance coverage from the previous year nor have there been any settlements in excess of insurance coverage in any of the prior three years.

NOTE 13. TAXES COLLECTED IN ADVANCE

Taxes collected in advance are recorded as cash liabilities in the financial statements. Following is a comparison of the liability for the previous two years:

| | <u>Balance</u> <u>Dec. 31, 2013</u> | <u>Balance</u> <u>Dec. 31, 2012</u> |
|--|--|--|

NOTE 14. LITIGATION

Various tax appeal cases were pending at December 31, 2013. The Borough is defending its assessments in each case. Under the accounting principles prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, the Borough does not recognize a liability, if any, until these cases have been adjudicated. Funding of any ultimate liability would be provided for in succeeding years' budgets or through a refunding bond ordinance, which would allow the Borough to fund these liabilities over a number of years. The Borough's legal counsel estimate such amounts to be immaterial, except for the following:

1. I. Park, LLC

This appeal involves a challenge to an assessment totaling \$83,182,100 in the 2011 tax year, \$67,083,100 in 2012 and \$22,204,500 (the assessment dropped because the property was subdivided). Presently, no settlement offers have been exchanged. However, given the value of the land along River Road, I do not believe that there is a significant amount of refund exposure in this case. That being said, given the size of the assessment, it is certainly possible that a refund exceeding \$80,000 could be triggered in the event of a successful challenge in the New Jersey Tax Court.

NOTE 14. LITIGATION, (continued)

2. Edgewater Retail Partners

This appeal involves a challenge to a commercial shopping complex located at 455 River Road, which covered the 2011-2013 tax years. During that timeframe, the property was assessed at \$124,500,500 per year. Presently, Plaintiff has put forth a settlement demand seeking an assessment reduction to \$119,000,000 for each year under appeal. If accepted, it would result in a taxpayer refund of approximately \$256,983.36. This demand notwithstanding, given the value of the land along River Road and the refusal by Plaintiff to provide any documentation to support their demand, I do not believe that this value is accurate for each year under appeal. However, it is certainly possible that a refund exceeding \$80,000 could ultimately be triggered in this case.

3. MMGK, LLC

This appeal involves the challenge of an office building located at 935 River Road, which covers the 2010-2013 tax years. The property was assessed at \$7,190,100 in the 2010 tax year, and at \$7,009,400 for each year going forward. Following an exchange of appraisal reports, the Borough's appraiser has opined that the assessment on this property can be defended. However, since the value in Plaintiff's appraisal report for the 2010-2012 tax years would trigger a taxpayer refund of \$79,370.55, there is a possibility that a refund in excess of \$80,000 could be triggered once the 2013 tax year is also included.

4. WMGK, LLC

This appeal involves the challenge of an office building located at 725 River Road, and is owned by the same group that owns MMGK, LLC. This appeal also covers the 2010-2013 tax years. The property was assessed at \$8,748,500 in the year 2010 tax year, and at \$8,799,800 for each year going forward. Following an exchange of appraisal reports, the Borough's appraiser has opined that the assessment on this property can be defended. However, since the value in Plaintiff's appraisal report for the 2010-2012 tax years would trigger a taxpayer refund of \$95,442.05, there is a possibility that a refund in excess of \$80,000 could be triggered once the 2013 tax year is also included.

NOTE 14. LITIGATION, (continued)

5. Unilever Research & Dev. Etc. By I. Park Edgewater, LLC
Docket Number: 000029-2005

This challenge involves an application for Freeze Act relief, pursuant to the provisions of N.J.S.A. 54:51A-8. By way of brief background, the litigant is I. Park Edgewater, LLC, who purchased several acres of land along River Road from Unilever Research in 2004. At the time of the purchase, Unilever had filed a long-running tax appeal against the Borough, which was in the process of settling. As part of that settlement, which covered up to the 2005 tax year, I. Park, as purchaser of the property, would fund any taxpayer refund triggered by the Unilever tax appeal settlement. However, several years after the appeal was finalized and the refund was funded by I. Park, an action was recently brought by I. Park seeking freeze act relief for the 2006 tax year.

If successful, this challenge will trigger a taxpayer refund exceeding \$40,000. However, since there are memorialized provisions by I. Park obligating themselves to fund any refund that stemmed from that appeal, I do not believe that I. Park will be entitled to a refund, even if they prevailed on the Freeze Act application. During my last telephone discussion with Plaintiff's attorney, I was told that I. Park will likely withdraw this appeal shortly.

6. RREEF Amer Reit II %E. Prop Tax 20

This appeal was filed in 2013 and contests the assessment of a commercial property valued by the Borough at \$53,000,000. Since this appeal was only recently filed, no discovery has been exchanged yet, and it is still unclear if this property has any assessment exposure. However, given the size of the assessment, there is certainly a possibility that a taxpayer refund exceeding \$80,000 could be triggered in this case.

7. Edgewater Financing, LLC

This appeal challenges the assessment of the Avalon Bay apartment complex for the 2011 tax year only, which was assessed for the year at \$100,000,000. No reports have been exchanged yet. However, Plaintiff had submitted a settlement demand requesting that the assessment be reduced to \$87,460,800. If this reduction were implemented, the taxpayer refund will exceed \$80,000. However, in the absence of an appraisal report or position from the Borough's appraiser, it is unclear if the Borough has any assessment exposure. However, in light of the size of the assessment and the magnitude of the Plaintiff's settlement demand, it is possible that a taxpayer refund exceeding \$80,000 could be triggered.

NOTE 14. LITIGATION, (continued)

The Borough is also involved in suits in the normal course of business. These cases, if decided against the Borough, would be paid for by its insurance carrier or with funds raised by future taxation. The Borough expects such amounts, if any, to be immaterial.

NOTE 15. EMERGENCY SERVICES VOLUNTEER LENGTH OF SERVICE AWARD PLAN (LOSAP) (UNAUDITED)

On February 26, 2003, the Division of Local Government Services approved the Borough's LOSAP plan, provided by Variable Annuity Life Insurance Company (VALIC). The purpose of this plan is to enhance the Borough's ability to retain and recruit volunteer firefighters and volunteer members of emergency service squads.

VALIC will provide for the benefit of participants, a multi-fund variable annuity contract as its funding vehicle. The plan shall have minimum and maximum contribution requirements as follows: the minimum contribution for each participating active volunteer member shall be \$600 per year of active emergency service and the maximum contribution for each active volunteer member shall be \$1,150 per year of active emergency service, subject to periodic increases as permitted by N.J.A.C. 5:30-14.9. The Borough's contribution shall be included in the subsequent years budget.

All amounts awarded under a length of service award plan shall remain the asset of the sponsoring agency; the obligation of the sponsoring agency to participating volunteers shall be contractual only; and no preferred or special interest in the awards made shall accrue to such participants. Such money shall be subject to the claims of the sponsoring agency's general creditors until distributed to any or all participants.

NOTE 16. OTHER POST EMPLOYMENT BENEFITS

In addition to the pension benefits described in Note 2, the Borough provides post employment health care benefits in accordance with the provisions of Ch. 88, P.L. 1974 as amended by Chapter 436, P.L. 1981, at its cost.

The Borough sponsors a single employer postemployment benefits plan that provided benefits in accordance with State statute, through the State's Health Benefits Bureau to eligible retirees, their spouses/domestic partners and eligible dependent children and continues to be provided on behalf of the surviving spouse/domestic partner or a retiree. Employees and/or their spouses/domestic partners become eligible for these benefits upon 25 years or more of service in the Public Employees Retirement System (PERS) and Police and Fireman's Retirement System (PFRS) or those approved for disability retirement.

NOTE 16. OTHER POST EMPLOYMENT BENEFITS, (continued)

Pursuant to GASB Statement No. 45 ("GASB 45"), *Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions*, the Borough obtained an actuarially determined calculation for this obligation.

The Borough's annual other postemployment benefits ("OPEB") costs for the Plan, which is currently funded on a pay-as-you-go basis and is a non-contributory plan with all plan payments for plan benefits being funded by the Borough, is calculated based on the annual required contribution ("ARC"), an amount actuarially determined in accordance with the parameters of GASB 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and interest on the net OPEB obligation and to amortize any unfunded actuarial liabilities (or funding excess) over a period not to exceed 30 years. The Borough's annual OPEB cost for the year ended December 31, 2011, and the related information for the plan, are as follows:

| | |
|--|--------------------|
| January 1, 2011 - Net OPEB Obligation (Initial) (NOO) | \$8,760,912 |
| Annual Required Costs (ARC) | 2,019,187 |
| Contribution from employer and other contributing entities | <u>(947,120)</u> |
| December 31, 2011 - Net OPEB Obligation (NOO) | <u>\$9,832,979</u> |

The Borough's annual OPEB cost, the percentage of annual OPEB cost contributed to the Plan and the net OPEB obligation were as follows:

| <u>Year</u> <u>Ended</u> | <u>Annual</u> <u>OPEB</u> <u>Cost</u> (Dollars in Thousands) | <u>Percentage of</u> <u>Annual OPEB</u> <u>Cost Contributed</u> | <u>Net</u> <u>OPEB</u> <u>Obligation</u> |

| 2012 | \$2,019,187 | 46.35% | \$8,760,912 |
| 2011 | \$2,019,187 | 12.54% | \$7,677,785 |
| 2010 | \$2,300,200 | 10.57% | \$5,911,907 |

*Required disclosure at adoption of standard payroll is not provided.

The **Present Value of all Projected Benefits** is the total present value of all expected future benefits, based on certain actuarial assumptions. The Present Value of all projected benefits is a measure of total liability or obligation. Essentially, the Present Value of all projected benefits is the value (on the valuation date) of the benefits promised to current and future retirees. The Plan's present value of all projected benefits (at December 31, 2011) is \$35,732,500 assuming no prefunding of obligations. The majority of this liability is for current active employees (future retirees).

The **Actuarial Accrued Liability** is the liability or obligation for benefits earned through the valuation date, based on certain actuarial methods and assumptions. The Plan's Actuarial Accrued Liability (at December 31, 2011) is \$19,133,989 assuming no prefunding of obligations. The majority of this obligation is for current active employees.

Normal Cost is the value of benefits expected to be earned during the current year, again based on certain actuarial methods and assumptions. The 2011 Fiscal Year Normal Cost is \$844,522 assuming no prefunding of obligations. In pension accounting, this is also known as "service cost."

Future Normal Costs represent the present value of the remaining balance of all projected benefits to be earned in future years.

Assumptions

The results were calculated based upon plan provisions, as provided by the Borough of Edgewater and the State of New Jersey, along with certain demographic and economic assumptions as recommended by Aon, in conjunction with the Borough of Edgewater with guidance from the GASB statement.

Demographic Assumptions

Data was provided by the Borough of Edgewater as of December 31, 2013. Demographic assumptions used to project the data are the same as those used to value the SHBP PERS pension liabilities. There is no assumption for future new hires.

Economic Assumptions

The GASB statement requires that the discount rate used to determine the retiree healthcare liabilities should be estimated long-term yield on the "investments that are expected to be used to finance the payments of benefits". Since the Borough of Edgewater does not currently pre-fund the retiree healthcare liabilities, the discount rate for the "no prefunding" scenario should be based on the portfolio of the Borough of Edgewater's "general assets" used to pay these benefits. The discount rate assumption selected by the Borough is 4.50%.

The trend assumption is used to project the growth of the expected claims over the lifetime of the healthcare recipients. The GASB statement does not require a particular source for information to determine healthcare trends, but it does recommend selecting a source that is "publicly available, objective and unbiased".

The trend assumption utilizing the short-term rates expected on the SHBP plan along with information in published papers from other industry experts (actuaries, health economists, etc.). For medical benefits, this amount initially is at 9% and decreases to a 5.0% long-term trend rate for all medical benefits in 2020.

NOTE 17. SUBSEQUENT EVENT

The Borough has evaluated subsequent events through February 20, 2014, the date which the financial statements were available to be issued and no other items were noted for disclosure.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Honorable Mayor and
Members of the Borough Council
Borough of Edgewater
County of Bergen, New Jersey

We have audited, in accordance with auditing standards generally accepted in the United States of America; audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey; and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, the financial statements-regulatory basis of the Borough of Edgewater in the County of Bergen as of and for the year ended December 31, 2013 and the related notes to the financial statements, and have issued our report thereon dated February 20, 2014, which was adverse due to being presented in accordance with New Jersey regulatory basis of accounting.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements-regulatory basis, we considered the Borough of Edgewater's internal control over financial reporting to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements-regulatory basis, but not for the purpose of expressing an opinion on the effectiveness of the Borough of Edgewater's internal control. Accordingly, we do not express an opinion on the effectiveness of the Borough of Edgewater's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Honorable Mayor and
Members of the Borough Council
Page 2.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

We did identify certain immaterial deficiencies in internal control that we have reported to management of the Borough of Edgewater in the accompany comments and recommendations section of this report.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Borough of Edgewater's financial statements-regulatory basis are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

However, we noted certain immaterial instances of noncompliance that we have reported to the management of the Borough of Edgewater in the accompanying comments and recommendations section of this report.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Borough of Edgewater's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Borough of Edgewater's internal controls and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE AS REQUIRED BY OMB CIRCULAR A-133

Honorable Mayor and
Members of the Borough Council
Borough of Edgewater
County of Bergen, New Jersey

Report on Compliance for Each Major Federal Program

We have audited the Borough of Edgewater in the County of Bergen compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2013. The Borough of Edgewater's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Borough of Edgewater's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and OMB Circular A-133, "*Audits of States, Local Governments, and Non-Profit Organizations*". Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Borough of Edgewater's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

Honorable Mayor and
Members of the Borough Council
Page 2.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination on the Borough of Edgewater's compliance.

Opinion on Each Major Federal Program

In our opinion, the Borough of Edgewater complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2013.

Report on Internal Control Over Compliance

Management of the Borough of Edgewater is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Borough of Edgewater's internal control over compliance with the types of requirements that could have a direct and material effect on a major federal program to determine our auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Borough of Edgewater's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Honorable Mayor and
Members of the Borough Council
Page 3.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

**BOROUGH OF EDGEWATER
NOTES TO THE SCHEDULES OF EXPENDITURES
OF FEDERAL AND STATE AWARDS
FOR THE YEAR ENDED DECEMBER 31, 2013**

NOTE 1. GENERAL

The accompanying schedules of expenditures of awards present the activity of all federal and state financial assistance programs of the Borough of Edgewater, County of Bergen. The Borough is defined in Note 1A to the Borough's financial statements. All federal financial assistance received directly from federal agencies, as well as federal financial assistance passed through other government agencies is included on the schedule of expenditures of awards.

NOTE 2. BASIS OF ACCOUNTING

The accompanying schedules of expenditures of awards are presented using the modified accrual basis of accounting as prescribed for counties by the Division of Local Government Services, Department of Community Affairs, State of New Jersey which differ in certain respects from generally accepted accounting principles (GAAP) applicable to local government units. This basis of accounting is described in Note 1(B) to the Borough's financial statements.

NOTE 3. RELATIONSHIP TO FINANCIAL STATEMENTS

Amounts reported in the accompanying schedules agree with amounts reported in the Borough's financial statements. Financial assistance awards are reported in the Borough's financial statements on a basis of accounting described above as follows:

| | <u>Federal</u> | <u>State</u> | <u>Total</u> |
|------------------------------|--------------------|------------------|--------------------|
| Current Fund | \$770,508 | \$37,339 | \$807,847 |

BOROUGH OF EDGEWATER

GENERAL COMMENTS

Contracts and Agreements

N.J.S.A. 40A:11-3 states:

- a. When the cost or price of any contract awarded by the contracting agent in the aggregate does not exceed in a contract year the total sum of \$17,500, the contract may be awarded by a purchasing agent when so authorized by ordinance or resolution, as appropriate to the contracting unit, of the governing body of the contracting unit without public advertising for bids, except that the governing body of any contracting unit may adopt an ordinance or resolution to set a lower threshold for the receipt of public bids or the solicitation of competitive quotations. If the purchasing agent is qualified pursuant to subsection b. of section 9 of P.L. 1971, c.198 (C.40A:11-9), the governing body of the contracting unit may establish that the bid threshold may be up to 25,000. Such authorization may be granted for each contract or by a general delegation of the power to negotiate and award such contracts pursuant to this section.
- b. Any contract made pursuant to this section may be awarded for a period of 24 consecutive months, except that contracts for professional services pursuant to subparagraph (i) of paragraph (a) of subsection (1) of section 5 of P.L. 1971, c.198 (C.40A:11-5) may be awarded for a period not exceeding 12 consecutive months. The Division of Local Government Services shall adopt and promulgate rules and regulations concerning the methods of accounting for all contracts that do not coincide with the contracting unit's fiscal year.
- c. The Governor, in consultation with the Department of the Treasury, shall no later than March 1 of every fifth year beginning in the fifth year after the year in which P.L. 1999, c.440 takes effect, adjust the threshold amount and the higher threshold amount which the governing body is permitted to establish, as set forth in subsection a. of this section, or the threshold amount resulting from any adjustment under this subsection, in direct proportion to the rise or fall of the index rate as that term is defined in section 2 of P.L. 1971, c.198(C.40A:11-2), and shall round the adjustment to the nearest \$1,000. The Governor shall, no later than June 1 of every fifth year, notify each governing body of the adjustment. The adjustment shall become effective on July 1 of the year in which it is made.

N.J.S.A. 40A:11-4 states:

- a. Every contract awarded by the contracting agent for the provision or performance of any goods or services, the cost of which in the aggregate exceeds the bid threshold, shall be awarded only by resolution of the governing body of the contracting unit to the lowest responsible bidder after public advertising for bids and bidding therefor, except as is provided otherwise in this act of specifically by any other law. The governing body of a contracting unit may, by resolution approved by a majority of the governing body and subject to subsections b. and c. of this section, disqualify a bidder who would otherwise be determined to be the lowest responsible bidder, if the governing body finds that it has had prior negative experience with the bidder.

BOROUGH OF EDGEWATER

GENERAL COMMENTS, (continued)

Effective January 1, 2011, the bid threshold, in accordance with N.J.S.A. 40A:11-3 and 40A:11-4 (as amended) is \$17,500 and with a qualified purchasing agent the threshold may be up to \$36,000.

The governing body of the Municipality has the responsibility of determining whether the expenditures in any category will exceed the bid threshold within the fiscal year. Where question arises as to whether any contract or agreement might result in violation of the statute, the Borough Counsel's opinion should be sought before a commitment is made.

The minutes indicate that bids were requested by public advertising for the following items:

- Oldwood Road Sanitary Sewer and Roadway Improvements
- Elevator Inspection Services
- Mechanical Street Sweeper
- Wheeled Bucket Loader
- Old River Road Streetscape Improvements

Resolutions were adopted authorizing the awarding of contracts and agreements for "Professional Services" N.J.S. 40A:11-5.

Inasmuch as the system of records did not provide for an accumulation of payments for categories for the performance of any work or the furnishing or hiring of any material or supplies, the results of such an accumulation could not reasonably be ascertained. Disbursements were reviewed, however, to determine whether any clear cut violation existed. No violations were disclosed.

Our examination of expenditures did not reveal any individual payments, contracts or agreements in excess of the statutory threshold "for the performance of any work or the furnishing or hiring of any materials or supplies," other than those where bids had been previously sought by public advertisement or where a resolution had been previously adopted under the provisions of N.J.S. 40A:11-6.

Collection of Interest on Delinquent Taxes and Assessments

The statute provides the method for authorizing interest and the maximum rates to be charged for the nonpayment of taxes or assessments on or before the date when they would become delinquent.

BOROUGH OF EDGEWATER
GENERAL COMMENTS, (continued)

The following resolution authorizing interest to be charged on delinquent taxes was adopted at the reorganization meeting held on January 7, 2013.

"WHEREAS, the penalty for nonpayment of taxes becoming delinquent on and after February 1, shall be at the rate of eight per centum (8%) per year for the first \$1,500 of delinquency and eighteen per centum (18%) per year on amounts over \$1,500; and

WHEREAS, Section 54:4-67 of the Revised Statutes has been amended to allow the Tax Collector to collect no interest if payment of any installment is made within ten (10) days after the date upon which the same became payable, provided it meets with the approval of the Mayor and Council;

BE IT RESOLVED, that the Tax Collector is granted permission to withhold interest charged for a period of ten (10) days after the date upon which the installment became payable, provided it is received within the period.

It appears from an examination of the Collector's records that interest was collected in accordance with the foregoing resolution.

Delinquent Taxes and Tax Title Liens

A tax sale was held on December 11, 2013 and was complete.

Inspection of tax sale certificates on file revealed that all tax sale certificates were available for audit.

The following comparison is made of the number of tax title liens receivable on the last three periods of audit:

| <u>Year Ended</u> | <u>Number of Liens</u> |
|-------------------|------------------------|
| December 31, 2013 | 5 |
| December 31, 2012 | 6 |
| December 31, 2011 | 5 |

It is essential to good management that all means provided by statute be utilized to liquidate tax title liens in order to get such properties back on a tax-paying basis.

COMMENTS

Finance/Accounts Payable/Payroll:

- 1.* Tax payments are not being validated upon receipt.
- 2.* There are unfunded ordinances over five years old for which expenditures have been made that have not been funded.
- 3.* There were instances in which slip rental payments were being charged and received prior to the execution of a contractual agreement between the borough and renter.
- 4.* The current fund reserve for Parking Offenses Adjudication Account would be more appropriately classified in the Trust Funds.
5. There were numerous instances in which police overtime was not approved by the Police Chief as required.
6. Goods and services are being ordered prior to encumbrance in violation of Technical Accounting Directive No. 1.
7. There is a deficit in the reserve for Animal License Trust fund Expenditures.

Departments

Police Records Bureau:

- 1.* Cash receipts are not being deposited within 48 hours of receipt as required by N.J.S.A. 40A5-15.

Recreation Department:

- 1.* Receipts are not being issued in numerical order.

Board of Health:

1. Receipts recorded in the departmental ledgers are not being compared and agreed to the bank statement on a monthly basis.
2. Fees collected are not being turned over to the Current Fund on a monthly basis nor are they in agreement with amounts collected.
3. Monthly dog license and quarterly marriage license reports are not always in agreement with license collections.

Building Department:

1. Receipts recorded in the departmental ledger are not being compared and agreed to the bank statement on a monthly basis.

RECOMMENDATIONS

Finance/Accounts Payable/Payroll:

- 1.* Tax payments be validated with the date of receipt.
- 2.* Steps be taken to fund those unfunded ordinances over five years old for which expenditures have been made.
- 3.* Executed rental agreements be completed and on file prior to the levying and collection of slip rental payments.
- 4.* The balance in the Reserve for Parking Offenses Adjudication Account be transferred from the Current Fund to a new trust account.
5. All overtime be approved by the appropriate supervisor prior to payment.
6. All requests for the purchase of goods and services be encumbered via a purchase order prior to being ordered in accordance with Technical Accounting Directive No. 1.
7. Provisions be made in succeeding years budgets to eliminate the deficit in the Animal License Reserve.

Departments

Police Records Bureau:

- 1.* Cash receipts collected by the Police Department be deposited within 48 hours of receipt as required by N.J.S.A. 40A5-15.

Recreation Department:

- 1.* All receipts be issued in numerical order.

Board of Health:

- 1.* A comparison of receipts collected per the licensing system be made to deposits to ensure accuracy of reports.
2. All fees collected be remitted to the Borough's Current fund on a monthly basis.
3. Monthly dog license and quarterly marriage license reports be compared to records of licenses collected prior to submission to the State to ensure accuracy of reporting.

Building Department:

1. A comparison of receipts collected per departmental receipt ledgers be made to actual deposits to ensure agreement.
